rangers in brae

The rangers feel that
they are forgotten, as
they protect his highness
from the wilderness.
To increase how the
rangers fare they would
like some more
recognition by the crown,
as they remain faithful
miners in minoc

The miners fare not
great
they are sore from day's
worth of work swing
their
pickaxes, they have been
having a difficult days.
The miners wanted some
ale, and someone to chat
with about their days and
tales, they also
mentioned, that the
wealth from mount
kendall seems unending,
but the health of whom
works the mountains are
not.
They are struggling and
could use some help
financially and medically.
Mages in moonglow,
The mages in moonglow
were not happy, they
were upset, and still mad
about the faction wars.
The feel that the crown
should visit, and grace
them with their
pressence, they were not
happy about my visit,
and felt that the visit
was
more of a surprise
inspection, I feel they
would like the crown to

talk to them directly.
farmers in britain,
How they faired was a
tricky question, The
farmers were struggling
with the yield of their
crops, as this season
was difficult on them,
they struggled with
rotting crops.

They asked for a finacial
donation and I was happy
to help, I feel that they
may need more help in
the future if their crops
continue to have issues.

Sailors in Vesper
The sailors are on hard
times right now, they are
under constant attack, by
pirates, they have
requested aid from the
council and their people,
one of their ships were
attacked and they have
survivors needing to be
rescued on dragon
island, I spoke with the
survior and they require
rescuing immidietely, I
provided as much
asssitance as I could as
we were ambushed on
the island ourselves as
well.

We protected the
survivor from the
ambush, but the people
of jhelom and vespor
require the kingdoms
navy to deal with the
priate problem.
